ROLES AND RESPONSIBILITIES

The Upper Canada District School Board will

- Develop policies to set out how schools will implement and enforce the provincial Code of Conduct and all other rules developed which are related to the provincial standards that promote and support respect, civility, responsible citizenship and safety;
- Review those policies regularly with students, staff, parents, volunteers, and the community;
- Seek input from school councils, Parent Involvement Committee, Special Education Advisory Committee, parents, students, staff members, and the school community;
- Establish a process that clearly communicates the provincial and school board Codes of Conduct to all parents, students, staff members, and members of the school community in order to obtain their commitment and support;
- Develop effective intervention strategies and respond to all infractions related to the standards for respect, civility, responsible citizenship and safety;
- Provide opportunities for all staff to acquire the knowledge, skills, and attitudes necessary to develop and maintain academic excellence in a safe learning and teaching environment.

Principals

Principals provide leadership in the daily operation of a school by:

- Demonstrating care for the school community and a commitment to academic excellence in a safe teaching and learning environment;
- Holding everyone under their authority accountable for his or her behaviour and actions;

- Empowering students to be positive leaders in the school and community;
- Communicating regularly and meaningfully with all members of their school community.

Teachers and Other School Staff Members

Under the leadership of Principals, teachers and other school staff members maintain order in the school and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, teachers and school staff uphold these high standards when they:

- Help students work to their full potential and develop their sense of self-worth;
- Empower students to be positive leaders in their classrooms, school, and community;
- Communicate regularly and meaningfully with parents;
- Maintain consistent standards of behaviour for all students;
- Demonstrate respect for all students, staff, parents, volunteers, and the members of the school community;
- Prepare students for the full responsibilities of citizenship.

Students

Students are treated with respect and dignity. In return, they must demonstrate respect for themselves, for others, and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- Comes to school prepared, on time, and ready to learn;
- Shows respect for himself or herself, for others, and for those in authority;
- Refrains from bringing anything to school that may compromise the safety of others;
- Follows the established rules and takes responsibility for his or her own actions.

Parents

Parents play an important role in the education of their children, and can support the efforts of school staff in maintaining a safe and respectful learning environment for all students. Parents fulfil their role when they:

- Show an active interest in their child's school work and progress;
- Communicate regularly with the school;
- Ensure that their child attends school regularly and on time;
- Promptly report to the school their child's absence or late arrival;
- Show that they are familiar with the provincial Code of Conduct, the board's Code of Conduct, and school rules;
- Encourage and assist their child in following the rules of behaviour;
- Assist school staff in dealing with disciplinary issues involving their child.
